ABOUT US

Captivating International is a Hong Kong-registered charity that works in partnership with locally-registered, grassroots Chinese charities in remote locations of China. Captivating's mission and passion is to see disadvantaged, impoverished, poorest-of-the-poor children soar – to see them reach out for a better tomorrow.

Shenzhen Charity Federation is a group specifically established by the Chinese government to assist in the legal distribution and control of funds to approved social projects within China. CAPTIVATING was accepted as an officially registered charity fund under the umbrella of the Shenzhen Charity Federation on August 4th, 2015.
