**SPONSORSHIP PACKAGE 2026**

On March 7<sup>th</sup>, 2026, Captivating International warmly invites you to our first  
**WOMEN IN FOCUS: LIMITLESS IMPACT**  
— an afternoon of insight, connection, and incredible stories of women  
driving powerful change across communities and industries.

We believe that every woman and child deserves a path to success, regardless of their starting point. While barriers in remote and impoverished areas are high, they are not insurmountable. At Captivating, we work to break generational chains of poverty by empowering women, educating children, and elevating communities.

**WHAT WE DO**

- ★ *Provide vocational and high school scholarships*
- ★ *Give students a chance to complete their education*
- ★ *Help families increase their incomes enough to keep their children in school*
- ★ *Assist and mentor women in remote areas to start their first stable job*
- ★ *Support volunteer teachers as they serve at remote schools*

This event is more than a celebration; it is a call to action.

**We have set a goal to ensure 50 girls stay in school and gain the tools they need to thrive.**  
Your corporate sponsorship directly fuels their education, providing the stability required to transform their potential into reality.

Let's celebrate the strength of women and spark a world of possibility, together.
